Message from our Principals

Hello everyone,

How lovely has it been to have some warmer days throughout the week?

As the days continue to get a little warmer, it is really important that all students have a school hat at school so that they are protected when outside and in the sun.

At the moment, we have a number of students who are not wearing a hat to school which is concerning.

Parents, carers and families are reminded that a school hat is a compulsory part of our school uniform and so we ask that families make it priority to purchase a school hat over the coming week and ensure their child brings that hat to school by Monday 27th October.

Families of students not wearing a hat from this date will be contacted by the school.

We really do appreciate your support in helping us to keep your students safe from harmful UV rays when they are at school.

Upcoming Events in Term 4

Multicultural Dress Up Day

On Wednesday 22nd of October, students are invited to come dressed in their cultural dress for the day or in bright colours as our school acknowledges and celebrates Diwali next week.

In Australia, Diwali 2025 will be celebrated on Tuesday, October 21, with the main observance falling on Monday, October 20, 2025. As one of the most vibrant cultural celebrations in Australia's multicultural landscape, Diwali has evolved into a grand nationwide festival that brings together communities from all backgrounds to celebrate the triumph of light over darkness.

We encourage all staff and students to come dressed in cultural dress or bright colours on Wednesday to help celebrate Diwali 2025!

Our 2025 F – 2 Christmas concert will be held on Wednesday 17th of December from 5pm – 7.30pm. Our Foundation students will perform from 5pm – 6pm, and our Year 1 and Year 2 students will perform from 6pm – 7.30pm.

Our school choir will also perform at this year's concert. More information will be shared about the concert over the coming weeks but we just wanted to share the date of this concert with our families so you can pop it into your calendars as we appreciate and understand that this is a really busy time of year for everyone.

Gates

As many of you would now be aware, we are now locking our gates of a morning at 8.45am sharp.

This is to ensure that we comply with Child Safe standards and have full awareness and accountability for all our students from the start of the school day at 8.45am.

We understand that this has caused some frustration for some of our families who have been used to entering via the gates AFTER 8.45am, however this has resulted in rolls not being marked accurately as it is our policy that students arriving after this time as supposed to enter via the office to collect a late pass.

When late passes are given, the roll is updated to ensure accurate records are maintained.

At Yubup, we take the safety of all students incredibly seriously and this is another precaution our school is taking to maintain our high levels of child safety.

Students arriving to school after 8.45am when the gates are closed will need to enter the school via the office.

Lost Property

Don't forget to come and check lost property if your child has misplaced any clothing or personal items.

There are many jumpers with no name in the tub as well as other personal items.

If your child's property and uniform are named, they will be returned to them.

Finally, please remember, we always welcome and would love to hear any feedback you have about our school, so please feel free to pop in and see us or email us at ANY TIME at:

Maree.Moyle@education.vic.gov.au

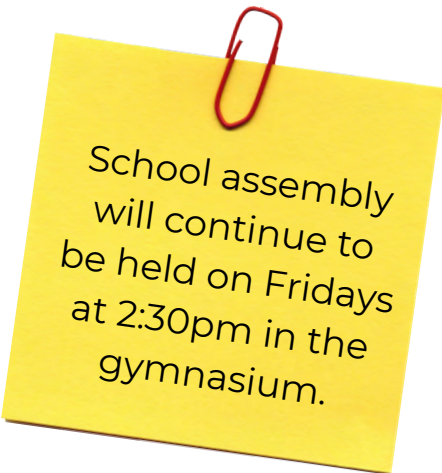

Natalie.Cimarosti@education.vic.gov.au

Lachlan.Stokan@education.vic.gov.au

with any thoughts, concerns, feedback or suggestions that you may have to help continue to make our school a wonderful place to be, to grow and to learn. We will get back to you as soon as we can and really do appreciate any feedback that you have to share.

Have a great weekend ahead everyone!

Maree, Nat & Lachy.

School assembly
will continue to
be held on Fridays
at 2:30pm in the
gymnasium.

Hats

Effective 25th August, all students are required to wear their school hats during outside play. This is to ensure sun safety and adherence to the school uniform policy.

Compass

Our school uses 'Compass School Manager' to communicate with families. This includes providing updates on important information, event consent & payments, attendance and school reports. It is important that all families are utilising this program, otherwise you will miss out on vital information. If you do not have your login details, please contact the office for assistance.

Lost Property

Please check the lost property box, located in the administration office, for your child's lost belongings.

Please ensure to label all of your child's belongings with their full name.

Breakfast Club

Breakfast Club runs on Mondays, Wednesdays and Fridays, from 8am-8:30am.

Breakfast Club is located in the kids kitchen, near the foundation playground. We offer toast, cereal and milk.

School Hours

Classrooms open for soft start in the morning at 8:35am and school commences at 8:45am sharp. Students arriving after 8:45am are required to get a late pass from the office.

At the end of the school day, students are dismissed at 3:15pm daily.

Before/After School Care

If you are unable to pick up your child on time afterschool, please make alternate arrangements.

Team Kids is available for before and after school care bookings if you require.

Foundation 2026

Letters of offer for Foundation 2026 have been sent out to families.

If you have not yet submitted your child's enrolment, we encourage you to do so as soon as possible.

Transition sessions will be held in term 4 and we wouldn't want your child to miss out on this valuable opportunity to become familiar with our school and feel confident about starting Foundation next year.

If you have any questions or need assistance with the enrolment process, please don't hesitate to contact the office.

Focus on Our School Values: Courage

Courage has been selected as one of our core values at **Yubup Primary School** because it helps children persevere through challenges and, in doing so, builds their self-esteem.

At Yubup, courage means feeling supported to try something new, even when it's difficult, unfamiliar, or outside our comfort zone. It's about believing in ourselves and trusting the people around us.

Courage also means having the confidence to share our opinions and to respectfully stand up for what we believe is right—even when it's not the most popular choice.

Our message to students:

Be brave enough to try, even if you're unsure. Every time you have a go, speak up kindly, or face a challenge with persistence, you're showing courage. Remember—courage doesn't mean you're never scared; it means you keep going anyway!

Examples of Showing Courage at Yubup Primary

- Putting your hand up to answer a question, even if you're not sure of the answer
- Trying a new activity or sport for the first time
- Asking a teacher or friend for help when you need it
- Standing up for someone who is being treated unfairly
- Admitting a mistake and learning from it
- Sharing your ideas or opinions in front of others
- Including someone new in your group or game
- Staying calm and using strategies when you feel worried or frustrated
- Giving something another go after it didn't work out the first time

FOUNDATION B

In Maths this week, our Foundation students have been learning to add two numbers together to make a total of 10. To make learning fun and hands-on, the children created colourful sausage dogs using paper chains to count on and explore addition in a playful way. They also used hand cutouts to practise combining two groups and counting the total. These creative activities helped students visualise number combinations and develop their understanding of how numbers work together to make 10.

This Week in 1B!

In Inquiry, we have been learning about the different ways we can exercise and keep our bodies healthy!

Students enjoyed sharing their favourite ways to move — from swimming, running, dancing to yoga and bike riding.

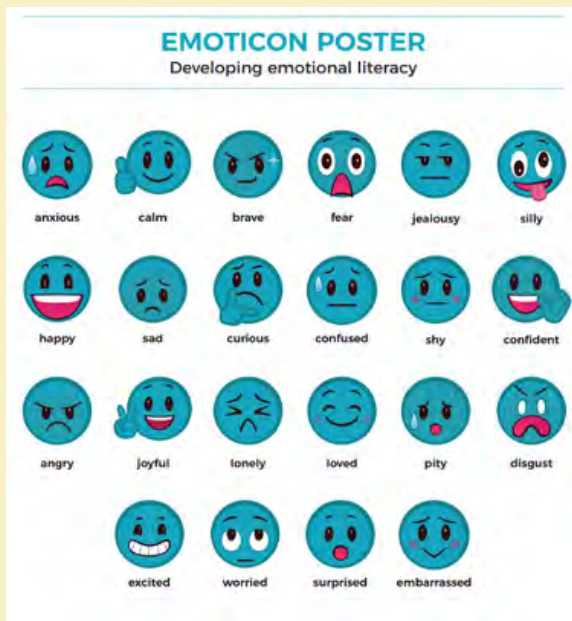

We discussed how exercise helps us stay strong, feel happy and have lots of energy for learning and play.

Everyone even had a go at demonstrating some of their favourite exercises in class!

GRADE 2A

Wellbeing

Students discussed a range of emotions and what they mean...

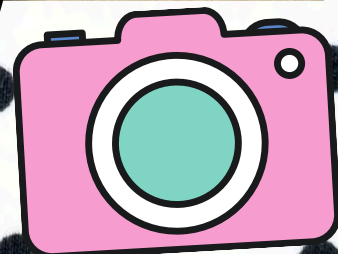

This Week in 2A...

Students learn about **emotional literacy**.

Emotional Literacy is our ability to label our emotions as we experience them. It is also our ability to see and empathise with other people's emotions. The ability to effectively communicate our emotions allows us to make informed choices or express them to another who can help us, such as a Teacher

Students drew and labelled different emotions using chalk
