Message from our Principals

Hello everyone,

As we near the end of Winter, and welcome Spring next week, it is the perfect time to remind our families that from Monday it is an expectation hats be worn when outdoors at all times. We introduced a soft start to this rule this week but need to emphasise the importance of being SunSmart when outside from next week. A common misconception is that if it is cloudy or overcast, the UV rays are not high or of concern, however this has proven to be false. The UV index starts to rise now as we say goodbye to Winter, and it is important that hats be worn to ensure the safety of all students when outside. If you need to purchase a hat, you can do so by visiting our uniform supplier 'Academy Uniforms' at 71 Potter Street, Craigieburn.

Father's Day Drive Thru BBQ Breakfast

On Thursday 4th of September, we will be holding a 'drive thru' BBQ breakfast for all the dads in our school community. Our dads will be invited to drive through our staff car park and pick up a sausage in bread for breakfast as recognition for the important role they play in our students lives.

All sausages will be Halal and be available from 7.30am – 9am. We look forward to seeing all the dads in our school community for their drive thru breakfast on Friday morning.

Assembly Arrangements for the End of Term 3

As the rest of the term is incredibly busy, the following arrangements are in place for assembly over the next 3 weeks:

- Week 7: Friday 5th September at 2.30pm as normal.
- Week 8: Friday 12th September, no assembly due to Incursion
- Week 9: Final term 3 assembly on Monday 15th of September at 9am (due to incursions, Year 1 stay late and Year 2 sleep over)

Please pop these dates in your calendars so you can keep track of the changes.

Library Books

All library books that are currently on loan to students must be returned to the school by the end of term 3. Please make sure you locate your child's library books and return ASAP so we can complete our end of term audit and have the library ready to go again at the start of term 4.

Emergency Management Drill

Over the next few weeks we will be conducting our term 3 emergency management drill. This will be held towards the end of the week and will provide our school with the opportunity to test our emergency management procedures. We will notify you all when the drill is complete to let you know so you can chat about this to your child when they get home.

Assistant Principal Positions

As many of you now know, our very own Daniel Taylor was successful in securing an Acting Principal position at another school within our network. As such he is now officially on loan to that school until the end of the 2025 school year. We congratulate Daniel on his appointment and look forward to welcoming him back to our school at the beginning of 2026.

Over the next few weeks, we will be completing selection processes to appoint 4 new assistant principals to our school. We will keep you updated as we work our way through these selection processes.

Uniform Reminder

With the arrival of Spring over the coming weeks, we would like to remind families that all students need to be in the correct school uniform at all times, and that includes jumpers. Our uniform policy requires student to wear our Yubup jacket or plain black jumper when at school. Jumpers and jackets that are not black should not be worn at school, unless a note has been supplied to the classroom teacher. As we continue focusing on our school expectations, it is important that all students wear our uniform with pride. I thank you for your support with this issue.

Student Attendance

It is important that your child is at school on time, every day to ensure they have the necessary skills, knowledge and learner dispositions which will set them up for secondary school and beyond.

Some think that it is secondary school that is most important, but did you know, primary education forms the basis of development. It is in primary school that children learn foundational skills that prepare them for life, work and active citizenship. Quality education empowers children and young people, safeguards their health and well-being, and breaks cycles of poverty.

If you are planning a family holiday, we ask that you consider the timing of this and, if possible, book this one or two weeks either side of the school holidays so that your child is not missing out on important learning and social skills. Please notify our friendly office team if your child will be travelling on a family holiday.

Finally, please remember, we always welcome and would love to hear any feedback you have about our school, so please feel free to pop in and see us or email us at ANY TIME at:

Maree.Moyle@education.vic.gov.au

Natalie.Cimarosti@education.vic.gov.au

with any thoughts, concerns, feedback or suggestions that you may have to help continue to make our school a wonderful place to be, to grow and to learn. We will get back to you as soon as we can and really do appreciate any feedback that you have to share.

Have a great weekend ahead everyone!

Maree & Nat

Compass

Our school uses 'Compass School Manager' to communicate with families. This includes providing updates on important information, event consent & payments, attendance and school reports. It is important that all families are utilising this program, otherwise you will miss out on vital information. If you do not have your login details, please contact the office for assistance.

Lost Property

Please check the lost property box, located in the administration office, for your child's lost belongings.

Please ensure to label all of your child's belongings with their full name.

Breakfast Club

Breakfast Club runs on Mondays, Wednesdays and Fridays, from 8am-8:30am.

Breakfast Club is located in the kids kitchen, near the foundation playground. We offer toast, cereal and milk.

School Hours & Before/After School Care

Classrooms open for soft start in the morning at 8:35am and school commences at 8:45am sharp. Students arriving after 8:45am are required to get a late pass from the office.

At the end of the school day, students are dismissed at 3:15pm daily.

If you are unable to pick up your child on time, please make alternate arrangements.

Team Kids is available for before and after school care bookings if you require.

Foundation 2026

Letters of offer for Foundation 2026 have now been sent out to families.

If you have not yet submitted your child's enrolment, we encourage you to do so as soon as possible.

We are currently organising our transition sessions, and we wouldn't want your child to miss out on this valuable opportunity to become familiar with our school and feel confident about starting Foundation next year.

If you have any questions or need assistance with the enrolment process, please don't hesitate to contact the office.

SCHOOL VALUE FOCUS

Next week, we will shine a spotlight on our school value of **Excellence**, encouraging students to aim high, set strong standards, and celebrate their successes. At Yubup, **Excellence** means working to improve ourselves, striving for our personal best in learning, and showing positive behaviour that reflects our school values.

HOW CAN YOU ENCOURAGE EXCELLENCE AT HOME?

- Ask your child to share one thing they are proud of each day.
- Talk about what excellence means in everyday life – such as showing kindness and using respectful language.
- Celebrate acts of kindness and responsibility. This reinforces the positive behaviour.

CURRICULUM UPDATE

FROM MS ALICIA

ICAS 2025

ICAS is now all complete - well done to all the students who participated in these assessments!

Parents should receive an email in the coming weeks from ICAS when results are made available online for you to access with a TAP-ID and PIN (this should be in your email when you registered). We will receive certificates at school and hand these out at assembly early in Term 4.

Home reading

All students should be reading regularly at home - this can be a take home reader from school, books you have at home, or texts through the online PM eReader collection.

When your child has finished reading at home, you might like to ask them some simple questions to help them understand what they've read.

You could ask them one or a couple of these:

1. What was the story/book about?
2. Who were the main characters?
3. Where did the story happen?
4. What was your favourite part of the book? Why?
5. Did anything surprise you in the text?
6. Would you recommend this book to a friend? Why or why not?

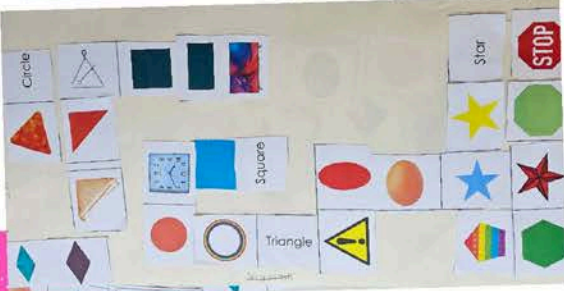

Subtraction in Foundation F

We love numbers in Foundation! We have been learning how to take smaller numbers away from larger numbers by playing dice games.

YEAR 1F MATHS

OUR YEAR 1S HAVE BEEN BUSY EXPLORING SHAPES! WE MADE A COLOURFUL SHAPE CITY USING SQUARES, TRIANGLES, CIRCLES, AND RECTANGLES. WE COMPARED AND CLASSIFIED SHAPES BY SIDES AND VERTICES, AND EVEN SPOTTED PARALLEL LINES IN OUR CREATIONS.

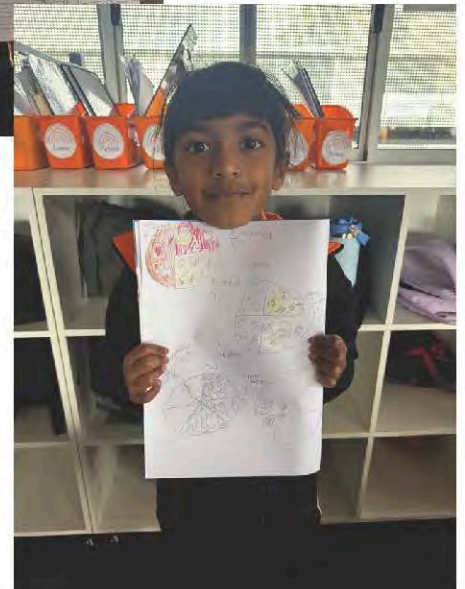

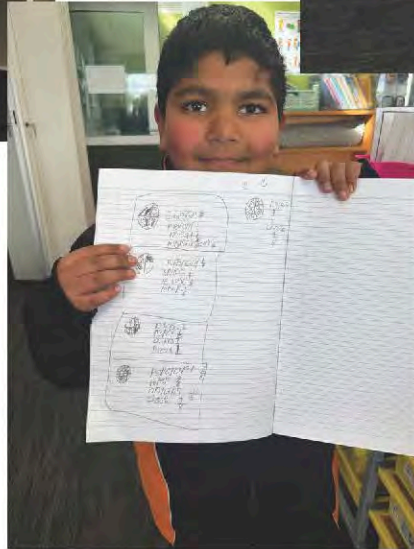

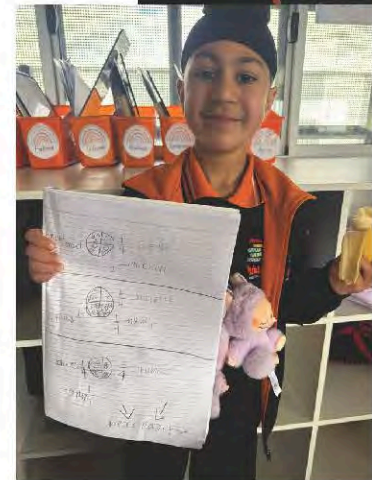

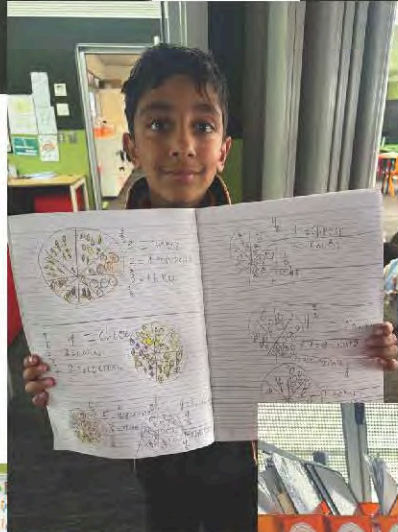

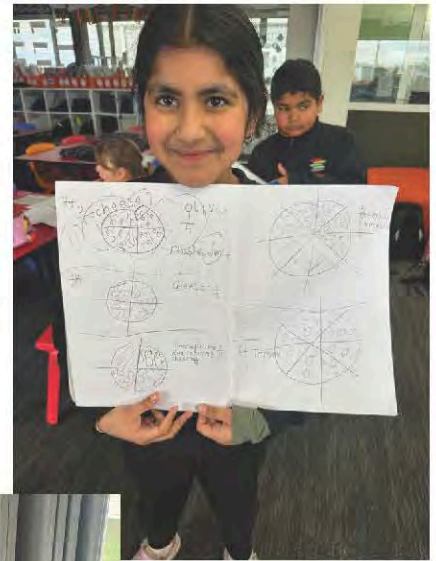

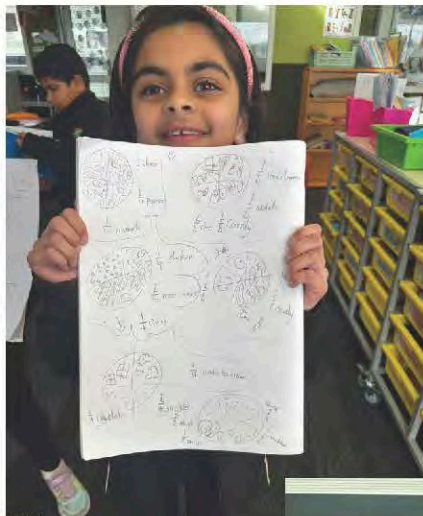

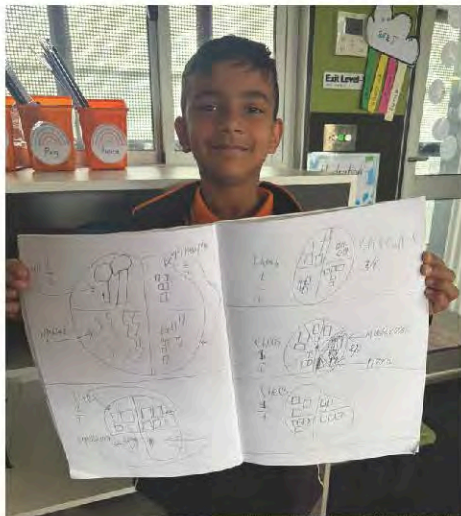

2D NEWS

In 2D this week we have been learning about fractions!

NEWS

READING

In reading, we have been exploring the book *The Day the Crayons Quit*. We understand how each crayon feels and the clever ways they try to persuade Duncan to stop doing things they don't like.

Our discussions have been fantastic, and we've enjoyed sharing our thoughts about the story. What a great week of reading!

This week in 3C

We have also been doing an amazing job focusing on our reading fluency goals. Everyone has been working hard to read smoothly and with expression, and we've even been assessing each other to give helpful feedback – it's really helping us improve!

WHAT'S HAPPENING IN 4C

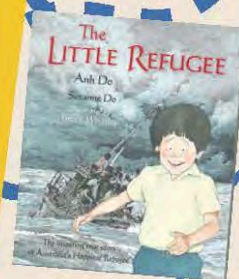

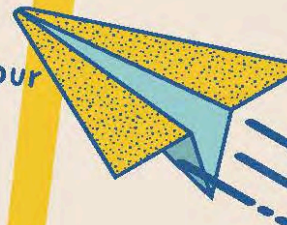

CLASS NEWSLETTER

This term 4C have been amazing! They have shown curiosity throughout all their learning, and actively participating in all our special days with enthusiasm and excitement!

In Maths students have been learning about angles, multiplication and patterns. They have identified the types of angles and looked at how to measure them.

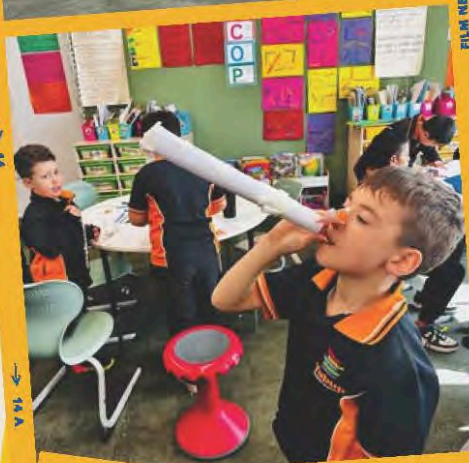

In writing, we have been writing Reviews for the movie Matilda based on the book by Roald Dahl. Their persuasive language telling the reader why they should watch the movie was quite impressive!

In reading we have learnt to make connections and look into why a character feels the way they do with the book 'The little refugee' by Ahn Do. Students were shocked that this is what happens in the world around us, and gained a sense of empathy for refugees.

WHERE 4C HAD FUN!

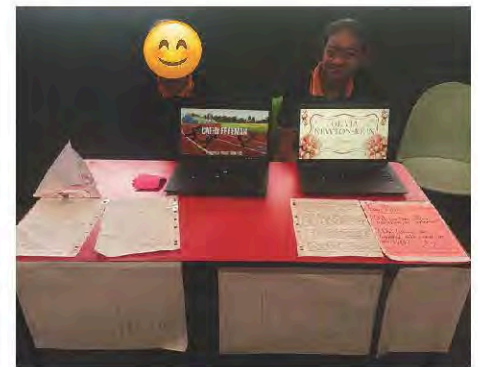

SPECIAL DAYS

During the term we have been participating in different cross age activities, in which the students in 4C flourished! They embrace working with our buddy class FF and look forward to working with them again in the near future!

Both Book Week and Science day were a huge success in 4C with costumes galore, spider webs based on the book Spiro, as well as designing and making amazing rockets! Well done 4C!

GRADE 5/6 SPEECH MORNING

ON THURSDAY THE 28TH OF AUGUST, OUR GRADE 5/6 STUDENTS PROUDLY WELCOMED PARENTS AND CARERS TO THEIR SIGNIFICANT AUSTRALIAN SPEECH MORNING. STUDENTS IMPRESSED EVERYONE WITH THEIR WELL-WRITTEN SPEECHES AND FABULOUS PRESENTATIONS, SHOWCASING SIX WEEKS OF HARD WORK AND DEDICATION. THE PRIDE ON THE FACES OF PARENTS, CARERS, AND TEACHERS SAID IT ALL - EVERY STUDENT SHOULD BE CONGRATULATED ON THEIR OUTSTANDING EFFORT AND ACHIEVEMENT!

Yubup athletes shine at districts

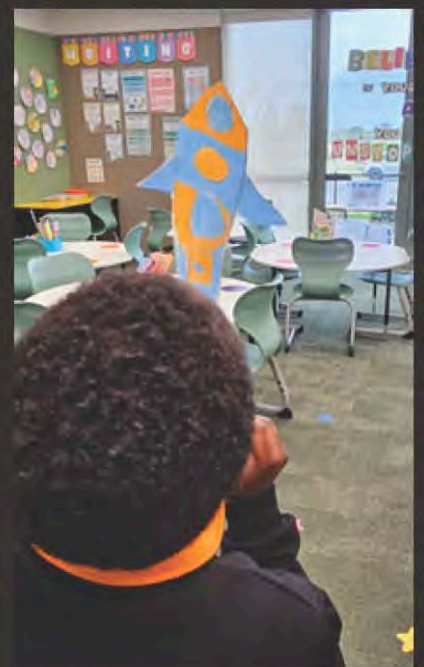

On Monday, qualifying students proudly represented Yubup Primary School at the North District Athletics.
Congratulations to those who have now qualified for the next round!
We are incredibly proud of all our students who participated — your effort, sportsmanship, and school spirit were outstanding.

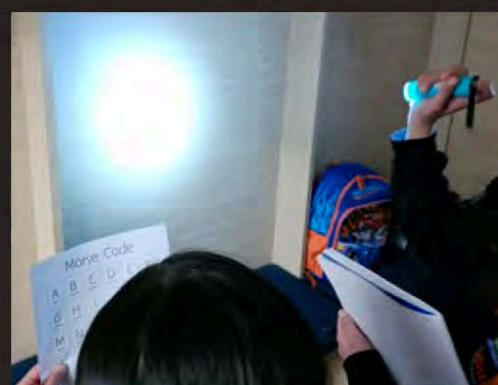

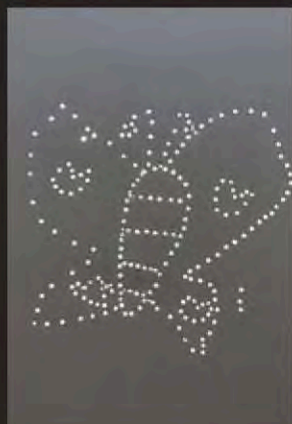

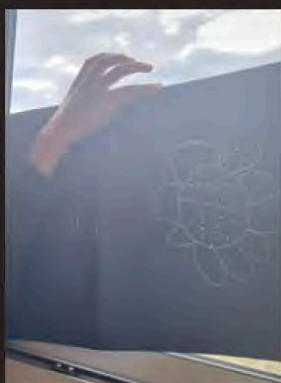

SCIENCE WEEK AT YUBUP

THEME: Decoding the Universe - exploring the unknown with nature's hidden language!

In Week 4, we celebrated our very first Science Week at Yubup! Students had a Science Week themed incursion and a cross-year level activity building straw rockets.

After an exciting morning, our students completed a year level activity of creating cloud dough, making constellations, growing a Fibonacci garden and communicating in secret light codes.

WHAT'S BEEN HAPPENING

This week the children engaged in a variety of exciting and interactive activities. They enjoyed making their own pizzas, which encouraged creativity, independence, and fine motor skills. The blindfolded game and hot air balloon activity supported problem-solving, teamwork, and imagination. In the gymnasium, the children participated in active games such as *Capture the Flag* and *Freeze Tag*, which promoted physical skills, cooperation and fair play. Overall, the week offered a balance of creative, cognitive and physical experiences that supported both individual and group learning.

Responsible Pet Ownership Education Program

ARE YOU INTERESTED IN BECOMING A PET EDUCATOR?

Would you like to bring your
dog to work?

Would you like to only work
during school terms?

Would you like to have all
school holidays off?

Would you like to get paid to
visit schools and pre-schools
with your dog?

**We are currently seeking paid educators to work in Melton,
Merri-bek, Wyndham, Hume, Whittlesea and Geelong.**

The program is calling for expression of interest from enthusiastic people to fill some casual vacancies. If you enjoy engaging with children, own a happy and healthy dog that is 18 months to 8 years old that resides with you and enjoys socialising with children, please consider applying to be a part of this program.

Pet Educators visit schools and pre-schools to promote the message of responsible pet ownership and how to be safe around dogs.

Successful applicants and their dogs receive training, support and learning opportunities.

To find out more, please email vic.pet@agriculture.vic.gov.au. We will send you an Educator Information Pack and details of how to apply.

Applications close on Friday 5th September 2025.
