Message from our Principals

Hello everyone,

As we begin the countdown to the school holiday break (only 5 more school days but who's counting right????) it is really important that parents and carers are aware of everything that is happening at our school next week. We certainly have an action-packed week ahead, so please be sure to pay particular attention and take note of the **'Upcoming Term 3 Dates'** listed in the section to the right.

Last Day of Term 3

A reminder that term 3 will finish on Friday 19th September at the earlier time of 2.15pm. All students are expected to be picked up at this time, as there will be no staff at school after 2.45pm on this day. TeamKids will be open from the earlier time of 2.15pm, so please book your child into their program if you are unable to be at school promptly to collect them at 2.15pm.

Please note that term 4 starts for all students on Tuesday 7th October at 8.45am.

Car Parking Around the School

Over the last few weeks, we have been advised that there has been an increase of issues between parents during school drop off and pick up. While we completely understand that the congestion around the school can be frustrating during these times, we ask all parents and carers to take extra precaution in ensuring our students safety and to also show some consideration for each other during these busy times. In addition to this, the council has advised they are increasing parking inspector patrols around our school so please only park where permitted to avoid being fined. If we all work together on this issue, we can make drop off and pick up as safe and stress free as possible.

New Classrooms at Rear of School

In some exciting news, you may have noticed our new classrooms being installed, which will be ready for use in the 2026 school year. This is fantastic news for our school as it provides some much-needed additional space for our students in classrooms for the years ahead. Please ensure that you are extra cautious around this area while the works are being completed and the temporary fencing is up around our school.

Foundation Bundoora Park Excursion
Group 1 (FA, FB, FC, FD & FE): Wed 17th Sep

Foundation Bundoora Park Excursion
Group 2 (FF, FG, FH & FI): Thurs 18th Sep

Year 1 Stay Late & Year 2 Sleepover
Thurs 18th Sep

**Last Day Term 3: Fri 19th Sep
2:15pm finish**

UPCOMING TERM 4 DATES

PLEASE PROVIDE CONSENT IN COMPASS

Curriculum Day - Mon 6th Oct
No School For Students

First School Day Of Term 4 - Tues 7th Oct

We know that our students are very interested in watching these works take place and encourage you to do so with your child in a safe manner.

Staff Thankyou

As we come to the end of another busy term, I want to take a moment to acknowledge and thank our incredible staff team. I have worked with many staff teams over the years and have never worked with a team that is more hardworking, dedicated and caring about our students and families than the team we have here at Yubup. As Principal, it is an absolute privilege to work with such an incredible team of educators, so on behalf of our school community, I would like to say a huge thankyou to each and every one of them for the tireless work they put into supporting our students with their learning and wellbeing every day.

Parent/Carer Opinion Survey

As shared in previous newsletters, our school is conducting the annual *Parent / Caregiver / Guardian Opinion Survey* and is seeking your feedback. The survey, offered by the Department of Education, is designed to assist schools in gaining an understanding of families' perception of school climate, student behaviour and student engagement.

Your opinions are important to us and will contribute to identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies.

The survey link is available via Compass and will remain open online until Friday 19 September 2025.

The survey is being conducted online and only takes 20 minutes to complete. It can be completed on any internet enabled device (desktop computer, laptop, tablet or smartphone) and is compatible with most internet browsers.

The survey is available in English and 10 other languages: Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese. If you require assistance in another language, resources may be available for you. Please reach out to the front office if you require assistance in another language. If you haven't already, please take the time to complete this survey before Friday 19th September.

Finally, please remember, we always welcome and would love to hear any feedback you have about our school, so please feel free to pop in and see us or email us at ANY TIME at:

Maree.Moyle@education.vic.gov.au

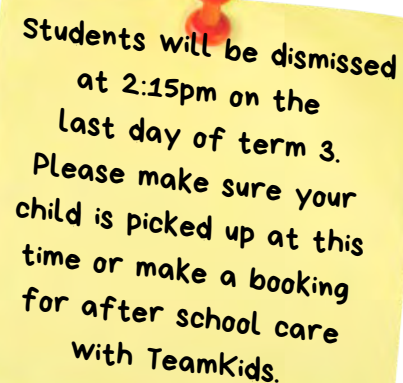

Natalie.Cimarosti@education.vic.gov.au

Lachlan.Stokan@education.vic.gov.au

with any thoughts, concerns, feedback or suggestions that you may have to help continue to make our school a wonderful place to be, to grow and to learn. We will get back to you as soon as we can and really do appreciate any feedback that you have to share.

Have a great weekend ahead everyone!

Maree, Nat & Lachy.

Students will be dismissed
at 2:15pm on the
last day of term 3.
Please make sure your
child is picked up at this
time or make a booking
for after school care
with TeamKids.

OTHER INFORMATION

Students of the week

FA - Caleb Piper
FB - Olena Dhungana
FC - Fateh Singh Minhas
FD - Maverick Coulter
FE - Aarav Singh
FF - Elina Verma
FG - Elena Kurtoglu
FH - Yashvir Singh Sidhu
FI - Zaidyn Karaca

Students of the week Specialists

Art - 2B & 4B
P.E. - 1E, 3B, 3D
Science - 4A

1B - Ayansh Masaun
1C - Melanie Dowler
1D - Zena Alrefaei
1E - Syed Hurr Abbas
1F - Meerab Adnan
1G - Gurnaz Kaur
1H - Isaac Najmeddine

2A - Hasan Altarfa
2B - Chayse Hewat
2C - Arham Waseem
2D - Agam Mann

3A - Ava Tosun
3B - Prabhnoor Bhullar
3C - Avnoor Kaur
3D - Saniya Sangson Rai

4A - Mohammed Abedi
4B - Harvey Tran
4C - Ayla Giordimaina
4D - Eveleen Kaur Randhawa

5/6A - Reejh Hayer
5/6C - Laiza Villamar
5/6D - Hussain Almosa
5/6E - Ahlaam Aden

Hats

Effective 25th August, all students are required to wear their school hats during outside play. This is to ensure sun safety and adherence to the school uniform policy.

Compass

Our school uses 'Compass School Manager' to communicate with families. This includes providing updates on important information, event consent & payments, attendance and school reports. It is important that all families are utilising this program, otherwise you will miss out on vital information. If you do not have your login details, please contact the office for assistance.

Lost Property

Please check the lost property box, located in the administration office, for your child's lost belongings.

Please ensure to label all of your child's belongings with their full name.

Breakfast Club

Breakfast Club runs on Mondays, Wednesdays and Fridays, from 8am-8:30am.

Breakfast Club is located in the kids kitchen, near the foundation playground. We offer toast, cereal and milk.

School Hours

Classrooms open for soft start in the morning at 8:35am and school commences at 8:45am sharp. Students arriving after 8:45am are required to get a late pass from the office.

At the end of the school day, students are dismissed at 3:15pm daily.

Before/After School Care

If you are unable to pick up your child on time afterschool, please make alternate arrangements.

Team Kids is available for before and after school care bookings if you require.

Foundation 2026

Letters of offer for Foundation 2026 have now been sent out to families.

If you have not yet submitted your child's enrolment, we encourage you to do so as soon as possible.

We are currently organising our transition sessions, and we wouldn't want your child to miss out on this valuable opportunity to become familiar with our school and feel confident about starting Foundation next year.

If you have any questions or need assistance with the enrolment process, please don't hesitate to contact the office.

YPS Value Spotlight: Collaboration

At Yubup Primary School, **collaboration** is at the heart of how we learn and work together. But it's more than just teamwork! Collaboration is an opportunity to learn from and with each other, broaden our experiences, challenge our thinking, and consider a variety of perspectives.

Research shows that **collaboration** doesn't just benefit learning—it also develops higher-level thinking skills and can boost confidence and self-esteem for both students and adults alike.

At YPS, we celebrate **collaboration** every day, whether it's in the classroom, in the yard, or across our school community. By working together, we create a richer, more supportive learning environment for everyone.

Here's a list of practical examples of **collaboration** you could include in your newsletter or use in school discussions:

Examples of Collaboration at YPS

In the Classroom:

- Students working together on a project or experiment.
- Peer-to-peer tutoring or shared learning tasks.
- Brainstorming ideas in small groups to solve a problem.
- Co-creating classroom displays, stories, or presentations.

Between Students and Teachers:

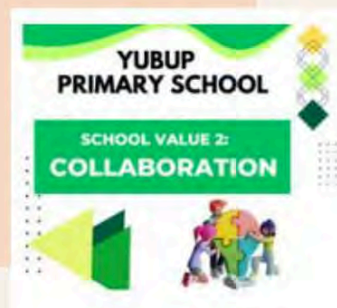

- Teachers and students planning lessons or activities together.
- Providing feedback to each other on work or behaviour.
- Student-led conferences or goal-setting meetings.

Across the School Community:

- Teachers collaborating on curriculum planning or assessment design.
- Staff working together to support a student's individual learning needs.
- Parent and teacher collaboration to support student wellbeing.
- Team-based school events, like fundraisers, performances, or sporting activities.

Everyday Opportunities:

- Group discussions during circle time or class meetings.
- Sharing strategies, resources, or tips with peers.
- Helping someone solve a problem by offering ideas or support.

STAYING HEALTHY

AT Yubup PRIMARY SCHOOL

☀ Keeping Our Kids Healthy ☀

With so many little ones learning and playing together, it's easy for bugs to spread at school. Here are some of the most common illnesses children may pick up, what signs to look out for, and simple ways you can help manage them at home.

Head Lice

- What to look for: Itchy scalp, small white eggs (nits) attached to hair, or crawling lice.
- How it spreads: Close head-to-head contact or sharing hats, hairbrushes.
- What to do: Use a lice treatment lotion/shampoo from the pharmacy and comb through hair regularly with a fine-tooth comb. Wash bedding and hats. Children can return to school once treatment has started.

Worms (Threadworms/Pinworms)

- What to look for: Itchy bottom, disturbed sleep, sometimes tummy pain.
- How it spreads: Eggs are spread via hands, bedding, clothing, and surfaces.
- What to do: A single-dose worming treatment from the pharmacy for the whole family is usually recommended. Wash hands regularly, keep fingernails short, wash bedding and clothes in hot water. Children can attend school once treatment has begun.

Hand, Foot and Mouth Disease (HFMD)

- What to look for: Small blisters or spots on hands, feet, and mouth, sometimes with fever and sore throat.
- How it spreads: Coughs, sneezes, saliva, fluid from blisters, and stool.
- What to do: Keep your child home until all blisters have dried and they are feeling well. Encourage fluids and soft foods. Wash hands often and clean toys/surfaces.

Common Cold

- What to look for: Runny or blocked nose, sore throat, cough, sneezing, mild fever.
- How it spreads: Through coughs, sneezes, and touching contaminated surfaces.
- What to do: Rest, fluids, and paracetamol/ibuprofen if needed. No antibiotics are required. Children can return to school once they are feeling well enough and fever-free.

Gastroenteritis (Gastro/Stomach Bug)

- What to look for: Vomiting, diarrhoea, stomach cramps, sometimes fever.
- How it spreads: Through contaminated food, water, surfaces, or person-to-person contact.
- What to do: Keep your child home until at least 24 hours after the last episode of diarrhoea or vomiting. Encourage fluids to prevent dehydration. Wash hands thoroughly after toileting or changing nappies.

Chickenpox (Varicella)

- What to look for: Itchy red spots that turn into fluid-filled blisters, then scab over. Often with fever and tiredness.
- How it spreads: Airborne (coughs/sneezes) and contact with blisters.
- What to do: Keep your child home until all blisters have dried (usually 5–7 days). Manage itching with soothing lotions and paracetamol (avoid aspirin).

Conjunctivitis (Pink Eye)

- What to look for: Red, itchy, watery eyes with sticky discharge (often worse after sleep).
- How it spreads: Direct contact with eye secretions, touching eyes, or sharing towels.
- What to do: Keep your child home until the discharge has stopped. Use prescribed eye drops/ointment if needed, and wash hands and pillowcases often.

☀ Simple Habits to Stay Healthy ☀

To help combat many of these common school illnesses, a few simple daily practices can make a big difference:

- Wash hands regularly with soap and water, especially after the toilet and before eating.
- Daily bathing or showering to keep germs away.
- Keep nails short and clean to prevent germs and worms from spreading.
- Cover coughs and sneezes with a tissue or elbow.
- Avoid sharing hats, drink bottles, and utensils.

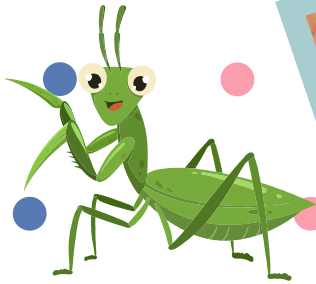

FOUNDATION H

newsletter

LEARN
AND
GROW

What's On

Foundation H has had some new members this term. Meet Stickatu and Twigglypuff, our Spiney Leaf Insects.

Learning

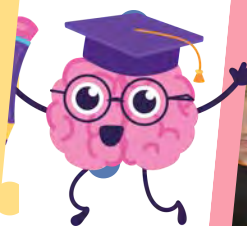

We have been learning to look after the class pets. They need fresh leaves every 3 or 4 days and to be sprayed with water once a day! How exciting it is to have a class pet!

What else is happening...

We have also been learning to skip count to notice patterns to 10! We made skip counting flowers and used the old leaves from Stickatu and Twigglypuff to make our flowers look more real.

Stickatu and Twigglypuff

1H Inquiry

Using recyclable materials to make a toy

This term, Grade 1H students have been investigating recycling by transforming everyday waste into imaginative new toys. By gathering items such as cardboard boxes, bottles, and old paper, students are learning practical ways to boost creativity while making a positive impact on the environment.

This hands-on project taught environmental responsibility and highlighted that recycling and reusing can be fun and rewarding. Working with recycled materials encouraged analytical thinking, sparked imagination, and built confidence in making and sharing new creations.

Students started by learning which materials can be recycled and discovered the processes involved in recycling. They then mapped out, designed, and created their own unique toys using recycled materials. Throughout these hands-on projects, children learned to use tools safely, worked together, and used problem-solving skills as they brought their toy ideas to life.

WHAT'S NEW?

MEDIA INCURSION

4D THIS WEEK

SEPTEMBER

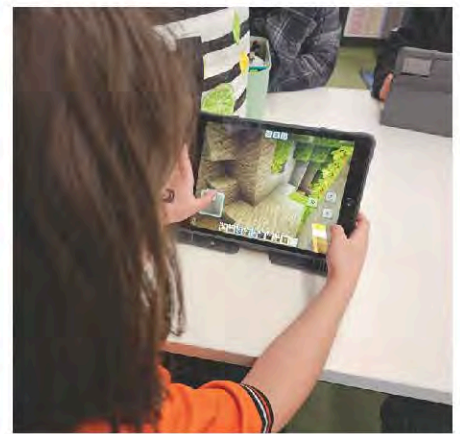

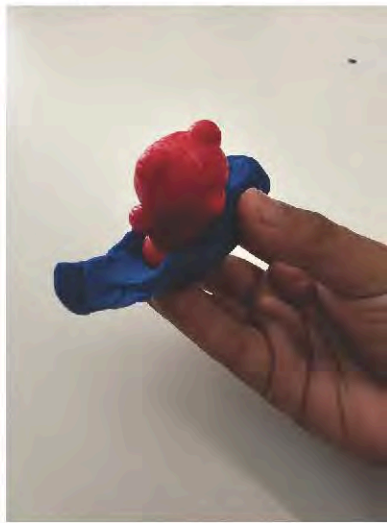

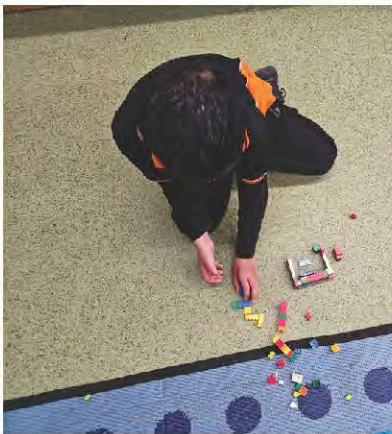

Students in 4D have been busy preparing for an exciting media incursion next Monday to support our Inquiry learning. In the lead-up, they have designed and created backgrounds for stop-motion animation, developed simple characters, and planned storyboards for their own animations.

On the day, students will rotate through three engaging experiences: creating an animation, producing a radio documentary, and presenting a green-screen television variety show. This event is a wonderful celebration of their creativity and hard work.

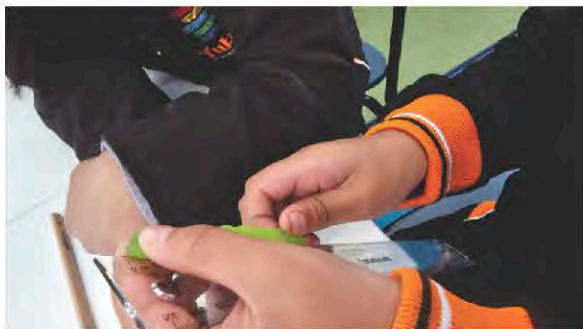

Science at Yubup!

What an amazing term of Science we have had so far!
Our Foundation to Year 2 students have been investigating why we use different materials for different tasks.

Our Year 3 and 4 students have been testing the properties of absorption, stretch and insulation on different materials.

Science at Yubup!

Our Year 5 & 6 students have continued our studies around different states of matter, including non-Newtonian fluids.

Our crystal experiments are done! Take a look at some of our fabulous formations.

WHAT'S BEEN HAPPENING

This week, the children engaged in a wide range of activities. They had a great time playing snakes and ladders and showing their competitiveness. Students had a blast making tacos, learning to follow steps and enjoying the results of their hard work. They showed creativity while making friendship bracelets and used their imagination during our hot air balloon experiment. It was a fun and engaging week filled with teamwork and laughter.

Lifelong, life-changing savings habits

Commit to saving up to \$50 a month for 10 months and ANZ will double it.

You can put that extra money towards educational expenses for yourself or your child/children. This includes school-related expenses, such as uniforms, books, laptops and excursions.

Income, eligibility and participation criteria apply, go to saverplus.org.au for more information.

Saver Plus supports people to develop life-long savings habits. It's delivered by Brotherhood of St. Laurence, The Smith Family and Berry Street. It's funded by ANZ and Department of Social Services.
