Message from our Principals

Hello everyone,

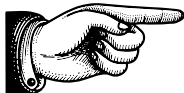

I hope you have all had a great week!

With Summer now only a few short days away, it is the perfect time to remind all parents and carers to make sure that your child is bringing a hat to school to keep them protected from UV rays and sun damage while outside. I also want to let parents and carers know that on days of extreme weather, such as days that are forecasted to be over 35 degrees, we will choose to keep students indoors to ensure that they do not become overwhelmed with the heat.

We will always try to get them out for the mini break at 10.50am, but lunch and recess plays will be held indoors to ensure students are safe and comfortable when at school.

Upcoming Events

To help you plan ahead, take a look at the upcoming events listed on the right side of this page.

Parent/Teacher Interviews

Our Term 4 Parent/Teacher interviews will be held this Thursday 27th November. Students do not attend school on this day, except for the interview time with their parent and teacher. TeamKids will be operating all day for families who require care. Please ensure you book your child in if you would like them to attend.

School Captains for 2026

We have now completed the selection process for our 2026 school captains, and we are very pleased to announce that our school captains for 2026 are as follows:

School Captains: Abbass and Amreen
Vice Captains: Autumn and Laura

We congratulate these four students on their successful appointment to these roles and look forward to seeing the wonderful things they will achieve in 2026.

Logging Student Absences

A reminder that all parents and carers are required to provide an explanation for all student absences throughout the year. This is a Department of Education requirement, and schools are expected to follow up all unexplained absences. You can always phone or email the school to advise of the reason for a student absence, or you can log it directly in Compass through the attendance tab. If you require help with learning how to do this on Compass, please pop into our office or give our friendly admin team a call and they will be more than happy to help you.

Year 6 Graduation – Change of Date

An important notice to parents of our 2025 Year 6 students that our Year 6 Graduation ceremony will now be held on Tuesday 9th of December. Please pop this date in your calendars so that you are free to attend on this evening. More information about the graduation will be sent out very soon.

Hats

All students are required to wear their school hats during outside play for the rest of this year.

This is to ensure sun safety and adherence to the school uniform policy.

Compass

Our school uses 'Compass School Manager' to communicate with families. This includes providing updates on important information, event consent & payments, attendance and school reports. It is important that all families are utilising this program, otherwise you will miss out on vital information. If you do not have your login details, please contact the office for assistance.

Lost Property

Please check the lost property box, located in the administration office, for your child's lost belongings.

Please ensure to label all of your child's belongings with their full name.

Breakfast Club

Breakfast Club runs on Mondays, Wednesdays and Fridays, from 8am-8:30am.

Breakfast Club is located in the kids kitchen, near the foundation playground. We offer toast, cereal and milk.

School Hours

Classrooms open for soft start in the morning at 8:35am and school commences at 8:45am sharp. Students arriving after 8:45am are required to get a late pass from the office.

At the end of the school day, students are dismissed at 3:15pm daily.

Before/After School Care

If you are unable to pick up your child on time afterschool, please make alternate arrangements.

Team Kids is available for before and after school care bookings if you require.

Foundation 2026

If you have not yet submitted your child's enrolment for 2026, please make it a priority to do so.

If you have any questions or need assistance with the enrolment process, please don't hesitate to contact the office.

Up an coming Social Media Ban

Social Media Age Ban – Key Information for Parents

A new law—the Online Safety Amendment (Social Media Minimum Age) Bill 2024—makes it illegal for children under 16 to hold social media accounts on platforms such as Facebook, Instagram, Snapchat, TikTok, X, and YouTube. The law will begin on **10 December 2025**.

Why is this happening?

The ban aims to protect children from harmful content and online pressures while helping them build digital safety skills before turning 16.

Which platforms are included?

The full list is being finalised. Major social media platforms are expected to be covered, but messaging, gaming, health, and education platforms will be excluded.

What if my child already has an account?

Platforms must remove or deactivate accounts held by users under 16. Some accounts may be reactivated once your child turns 16, but not all platforms offer this option.

What can children still see?

Young people under 16 will continue to be able to view publicly available posts and videos (such as on YouTube, TikTok, and Facebook business pages) without signing in.

Enforcement

Social media companies must prevent under-16 users from opening new accounts and block workarounds. The eSafety Commissioner will ensure compliance, and fines may apply for violations.

Support and Resources

Talk with your child early about the changes and how this may impact their friendships and activities. Encourage alternative ways to connect, such as through messaging apps or joining clubs.

Learn more: [Parent Get-Ready Guide](#)

More resources: [Raising Children Network](#)

If you have concerns about your child's wellbeing or need more support, visit services such as Beyond Blue, Headspace, Kids Helpline, Reach Out, and 13YARN.

For further details, see the eSafety Commissioner's Social Media Age Restrictions FAQs.

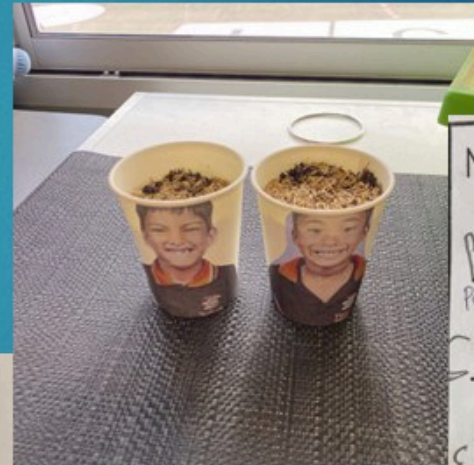

Foundation G

In Foundation G this week for our language experience we made some grass heads. Following this we wrote a procedural text instructing others how to make a grass head.

In Mathematics this week, we have continued to learn how to share collections equally between 2 people.

6 shared between 2 equals 3
8 shared between 2 equals 4
10 shared between 2 equals 5
4 shared between 2 equals 2

READING

READING 1G

This week, 1G have been exploring non-fiction texts all about animals. We have been learning how these texts help us discover real facts about how animals live, move, eat, and survive in their habitats. Students have been identifying key non-fiction features such as headings, diagrams, labels, captions, and fact boxes, and using them to find information quickly and confidently.

Look What We Learned

MATHEMATICS

Students have been exploring fractions and fractions of a collection, using hands-on activities to build strong understanding. They even created colourful kites and turned their names into fractions!

WRITING

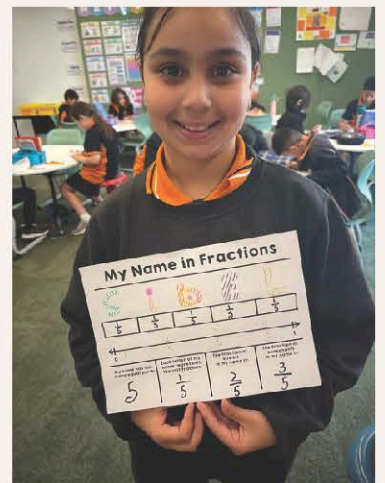

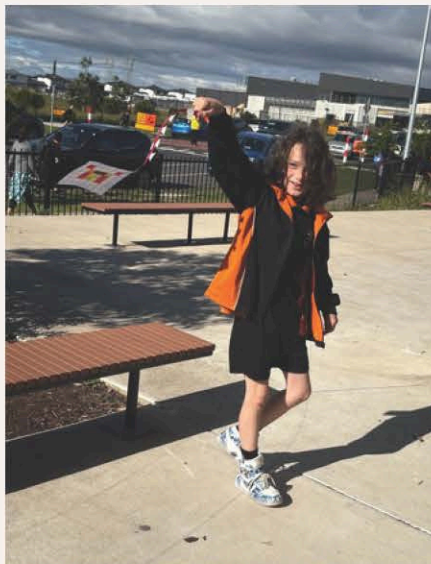

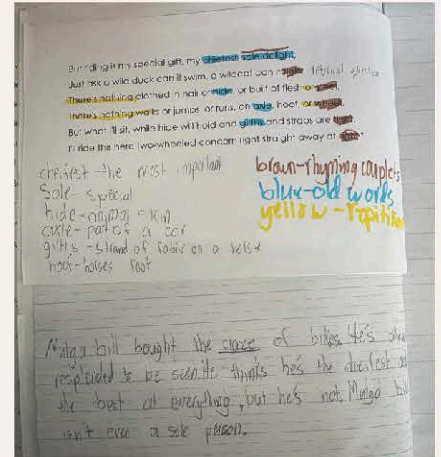

In writing, students are learning how to craft detailed recounts and present events in order. They are also creating an inquiry poster about a country of their choice, using research to support their ideas.

READING

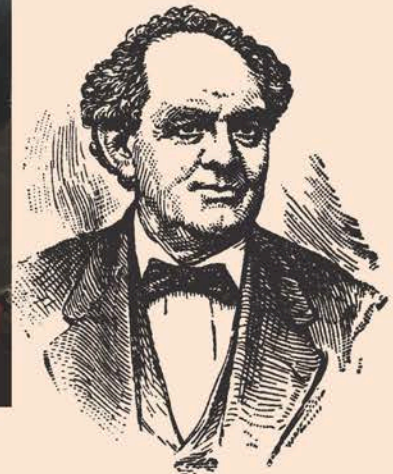

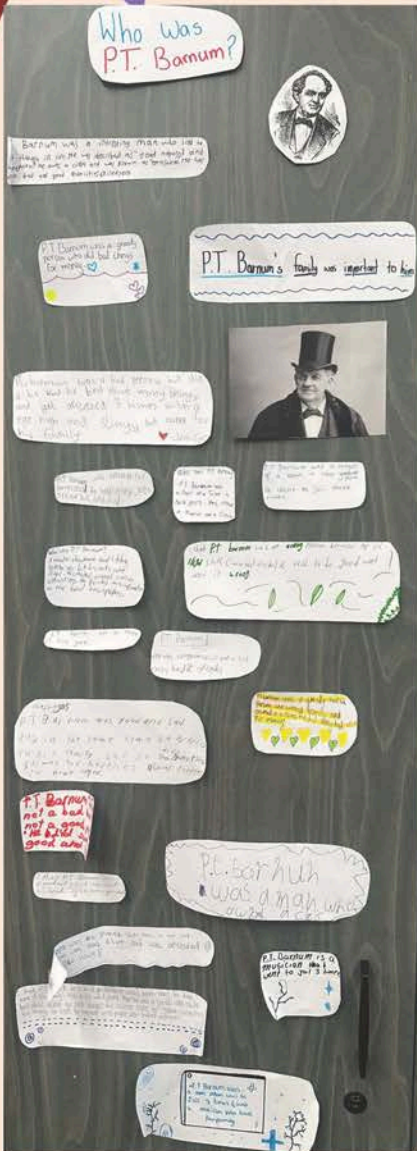

We have been reading Mulga Bill's Bicycle and exploring the rhythm and meaning in poetry. Students are enjoying diving into the characters, vocabulary, and playful language of the text.

INQUIRY

In Inquiry, we are investigating Japan and learning how to take clear notes from different sources. Students are beginning to gather key information to support their final projects.

Showman in 5/6

We are doing a deep dive into The Greatest Showman to learn more about inclusion and collaboration, helping to understand different features of a film to write a text response.

Fairy Bread Day

24TH NOV

YUBUP TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

This week, students engaged in a variety of meaningful and creative activities. For National Kindness Day, they made a sun display, writing down kind actions they had done, promoting empathy and social awareness. For Remembrance Day, students created poppy flowers and reflected on the significance of the day, encouraging respect and cultural understanding. Children also enjoyed Hama bead activities, which supported fine motor skills and creativity and chess, fostering problem-solving, concentration, and strategic thinking. Overall, the week balanced creativity, reflection, and cognitive development, keeping students engaged and motivated.
